

Wanted Housewives:

To Represent & Market our **Training Programs**

in Leading Cities in India/ Abroad

Make Money in your Spare Time!!

- 1) The Representative would need to be a **Housewife** with good command of English & local Language, who can devote a few hours during business time towards making calls to Corporates in your City/ town.
- 2) A telephone is a must
- 3) Internet/ email access would be advantageous
- 4) The Lady would need to make calls to various corporates to promote our Training Programs that are conducted both as **Inhouse** and **Public**.
- 5) All Public programs would be announced well in advance with the Representative being made aware of the dates. These will also be announced on our Calendar available on our websites.
- 6) **Pay out to the Representative**: Besides the opportunity to undergo regular training & develop professionally, the Representative would be able to write her own paycheck ie; the potential for earning is unlimited!
- 7) Details of our Programs can be seen on our websites:
